

# Checklist for your consultation appointment

To allow us to prepare as effectively as possible for our appointment, it would be helpful if you could send the completed checklist to us in advance at [bathroomplanning@villeroy-boch.com](mailto:bathroomplanning@villeroy-boch.com). Photos of your existing bathroom are also very important for our preparation. Please send these in JPEG format.

# Dimensions of the existing bathroom

The dimensions will help us prepare the floor plan for your bathroom in advance.

If none of the rooms match your floor plan, there is also the option of creating a sketch on the next page.

If you used our bathroom planner and entered the correct dimensions there, we do not need any further details here.

Yes, the dimensions are included in my bathroom plan.

## Room dimensions in cm
